- Each student will receive equal educational opportunities to achieve their individual potentials, each is unique.

FAMILY EDUCATIONAL RIGHTS and PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with aspect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends school beyond the high school level. Students to whom the rights have been transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's educational record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit and evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accredited organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies;
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school. 2019-2020 SAN SIMON SCHOOL RULES FROM A ~ Z

ABSENTEE

Parents/guardians are requested to call the office by 8:00 A.M if a student is going to be absent for the day or send a note on the day of the student's return to school. If the district office has not been notified, an attempt will be made to contact the parent/guardian.

ANY unexcused absence (no written or verbal contact from parent/guardian) results in the student receiving a ZERO for each class not attended. The absence will be considered unexcused if no parental notification is received within 24 hours.

Students are responsible for making up schoolwork for any days missed due to an absence. Students will be given one day per each excused absence date to make-up work.

ARS 15-802,803 states that a student is excessively absent if they miss more than 10% of the school year. In effect students are required to attend school as least 90% of the time. At the end of the two-week period, if the parents or guardians have not designated refusal to allow the release of directory

information, the District will assume it has their permission to release the above mentioned information. This designation will remain in effect until it is modified by the written direction of the student's parent or guardian. The student's records will be appropriately marked by the records' custodian to ensure compliance with the parent or guardian's request.

All interscholastic activities in grades four through twelve that are

- (1) of a competitive nature and involve more than one school where a championship, winner, or rating is determined and

These programs will be appropriate to the maturity of students and as varied as staff and facilities permit. All such activities will be conducted under the auspices of the district supervision of the certified individual responsible for the activity. It is necessary to have the extracurricular activities function within a realistic framework of control. In order that overly enthusiastic students do not place a social or athletic function on a higher plane than the academic program, the following policy will be adhered to:

- Students who, upon having their work checked on a cumulative basis at the end of each one-week period, show that they are not working to capacity and have one or more failing grades will be removed from extra-curricular activities.

Please notify the office of any changes in your child's health status/medications or emergency contact.

HOMELESS STUDENTS

The McKinney-Vento Act is a federal law designed to identify students whose families are homeless and provide those individuals with a consistent, quality education. The identification process is simple and Title I services, transportation and school lunches are available to children who are homeless. Our school has a poster describing the provisions of this act and listing the District Liaison, the District Superintendent. Please feel free to contact the District Superintendent (845-2275) about the identification process, the dispute resolution process or any other questions you might have.

HONOR ROLL

Students with a 3.50 grade point average in the current grading period are on the honor roll. To be on the Scholars' List, a student must have a 3.75 GPA for the current grading period.

A grade of "S", "U", or "E" is not considered for honor roll.

IMMUNIZATIONS

According to Arizona Law, all students are required to have proof of immunizations or a signed exemption form upon registration and prior to attending classes.

Parents/Guardians will be notified of inadequate immunization status.

Immunizations can be obtained from your personal physician at your own expense or they can be obtained from the Cochise County Health Department free of charge. For more information, feel free to contact the District Office or the County Health Department at (520) 384-7100.

LOCKERS

Junior high and high school students are assigned a locker at the beginning of the year for their use. It is their responsibility to keep it in good condition. Students are to use only the locker assigned to them.

Lockers are to remain closed and backpacks off the floor. Lockers remain the property of the school, and the school reserves the right to search a locker at any time without notice.

MEDICATIONS

There must be written permission from the parent/guardian for the school to administer any over-the-counter or prescription medications. Forms are available in the office and must be properly completed and submitted with the medication(s).

Prescription medications must be in the original container as prepared by the pharmacist and labeled, including the patient name, name of medication, dosage and time to be given. Over-the-counter medications must be in the original packaging with all directions, dosages and compound contents and proportions clearly marked.

Students are not allowed to carry any medication, including inhalers and epipens, on their person without written order from a physician. No student will be administered any medication, including medication provided by the health office, unless the proper paperwork has been submitted. These forms are available in the office. Student misuse of medication may result in seizure and disciplinary action.

MOBILE DEVICES

For High School & Elementary Students

The school has established the following rules for students and parents to follow if students would like to have and use their electronic devices (laptops, cell phones, I-pods, MP3 players, CD players, etc.) on campus. The following are guidelines for electronic device usage:

- Electronic Device usage on campus should be seen as an educational tool; however, it is a **privilege, not a right.** Students will be required to follow Policy & Exhibit IJNDB-EB as well as other procedures set by the administration while using personal electronic devices on campus at school related activities, and or utilizing the District Network. An «Electronic Device Usage» agreement must be signed by student and parent. Students using electronic devices on campus without the agreement could face disciplinary action and/or lose the privilege for the remainder of the school year.
- Electronic Devices must be **POWERED OFF** during all classes and assemblies. Teachers may make exceptions for instructional use.

- Parent(s)/Guardian(s) are not to contact students via his or her cell phone during classes. If you need to contact your child, please contact the office. The office will deliver a message to your child.
- Students may not attach external speakers to their devices – these devices should be considered 'personal' not public and thus should not be used in such a manner as to effect the other students and staff around them.

OFFICE

Office hours are from 7:30 A.M. to 4:00 P.M. (Monday through Thursday), excluding weekends and holidays. A voicemail system is available during non-office hours.

PARENT-TEACHER-STUDENT COMPACT

San Simon School District recognizes the value of consistent, integrated efforts of home, school, and community. All are necessary to educate the whole child and best prepare him/her to share in a future of possibility and promise. Under Title I both the District and the individual schools are required to prepare a Parental Involvement Compact. We encourage you to be involved in this process.

Compacts are created by committees that represent the parents of Title I students, school administration, and certified staff. These committees develop plans that address the needs of low-achieving students and assist them in mastering the Arizona Academic Standards. The committees guide the Title I Program by:

- Establishing meaningful on-going, two-way communication between the District, staff, and parents/guardians
- Establishing the school, parent, student, and district responsibilities

- Developing a medium to communicate to parents/guardians about the plan and the responsibilities of the parents, students, schools, and District
- Seeking input from all involved parents/guardians about the plan and its implementation
- Training personnel on how to collaborate effectively with families from diverse backgrounds
- Establishing training sessions for school liaisons in order for them to bring information back to their staffs
- Providing parents with information about the various tools and instruments that are used by the State and the District to assess and monitor student progress
- Sharing data to assist in developing new initiatives that lead to greater student achievement
- Conducting an annual evaluation of the content and effectiveness of the parents involvement policy
- Identifying barriers to effective communication
- Providing information about upcoming meetings and/or events and encouraging participation
- Coordinating efforts between and among schools and the District

Please contact Mr. Jonathan Truschke at the District Office (845-2275) if you wish to participate in any of the Title I Parental Involvement Compact Committees.

PARTY POLICY

Classroom parties are scheduled on the school calendar. All other parties, including birthdays, are prohibited. Exceptions for special activities may be pre-approved by the administrator. State and federal laws prohibit the consumption of foods determined to be of “minimal nutritional

value” during the regular school operational hours.

PHONE CALLS/MESSAGES

Telephones are for school use only. Students may use the office phone to call parents/guardian during **lunch break and after school. Students will not be called to the phone from class.** If you need to get a message to your child, we will deliver the message when it will not disrupt class. In case of an emergency, exception to this policy may be made with the approval of the administration.

PHYSICAL EXAMINATIONS

Students participating in high school and junior high school interscholastic athletics are required to submit to a physical examination and to submit evidence of being physically fit for participation in that particular sport as verified by a health care provider. Students may not participate in practice or any athletic event until all required forms have been submitted to the office.

RELEASE OF STUDENTS

A student will not be released from the school grounds or school activities without parent/guardian authorization. A student will **not** be released to someone other than a parent/guardian without verified written authorization from the parent/guardian and approval by the administration. This includes field trips and athletic events.

In the event that a student will be utilizing a form of transportation outside of his or her regular practice, **a note from the parent/guardian of both parties involved must be on file in the school office prior to the release of students.** San Simon School is not responsible for the transport of non-bus route students.

REPORT CARDS

Report cards are issued every quarter. Report cards will be handed out to parents/guardians at the parent/teacher conferences that will be held following the first and third grading periods. Report cards will be issued to parents via e-mail or mailed out for the second and fourth grading periods. Parents/guardians are reminded that they can also monitor progress throughout the year via on-line. Please contact us for further information if you are interested in this option.

SCHOOL ACTIVITIES

Student Council and the Superintendent will approve all school activities. Also, they are posted in our daily bulletin. Students should behave in a courteous and polite manner at all school functions. Administration reserves the right to ask anyone to leave.

SCHOOL BUS CONDUCT

Students are required to conduct themselves in the bus, prior to boarding the bus, and subsequent to leaving the bus in a manner consistent with established standards for classroom behavior. When a student fails to practice proper conduct, the bus driver will inform the administration of the misconduct, which may then be brought to the attention of the parents. Students who become serious disciplinary problems

related to school transportation may have their riding privileges suspended. In such cases, the parent/guardian of the student(s) involved become responsible for seeing that their child(ren) get(s) to and from school safely.

Students riding on special-activity buses are under the direct supervision of the bus driver in cooperation with the sponsor(s). Students who do not conduct themselves properly will be denied the privilege of riding on special-activity buses.

Aerosol containers and glass are not permitted on the bus.

The following is a list of rules that are posted in each of the school buses. Please take a moment to read over these rules with your child(ren). If you or your child(ren) have difficulty understanding any of these rules, contact the school office and we will assist you as necessary. Failure to follow the rules while riding the bus could result in loss of bus riding privileges.

- Wait ten feet from the road edge at bus stops and remain there till bus comes to a complete stop and door is open; do not disturb the property of others.
- Students are to follow the directions of the driver at all times.
- Students are to remain seated, backs against seat back and facing forward at all times.
- Loud voices and other noise that may distract the driver are not allowed; students may speak quietly to seat mates.
- Fighting, arguing, pushing and “horseplay” are not allowed on the bus or at bus stops.
- Do not open windows without the driver’s permission. If you do open – close before exiting.
- Do not place head, hands, arms, feet or property out windows.

- Do not throw any objects on bus or out windows.
- All possessions (bags, instruments, athletic equipment) must be in students’ lap or under seat.
- No eating or drinking on the bus except for water in a clear plastic bottle. (Lunch or food for class activities must be sealed.)
- Place trash in can at front of bus as you exit.
- Glass containers are not allowed on bus, this includes beverages taken on field trips.
- Insects, reptiles or other animals may not be transported for any reason.
- Tobacco, alcohol, drugs, explosives and weapons (to include pocket knives) may not be transported.
- Students are not to touch emergency exits, emergency equipment or bus controls unless instructed to by the driver.
- When departing remain seated until bus is completely stopped. Cross only in front of the bus and never return to or touch bus as it leaves the stop.
- Students may only ride their designated bus unless special pass is issued.
- Drivers may assign seats to students; seat assignments may be changed at any time.

Failure to follow rules will result in disciplinary action that may result in the loss of bus privileges.

Procedures followed upon student misbehavior on school bus:

Transportation of students is a privilege extended to students in the San Simon District. The privilege of a student to ride a school bus is contingent upon continuous acceptable and safe behavior. The bus driver will bring the behavior of a student who does not conduct himself/herself properly to the attention of the

Administrator. Depending on the nature of the offenses and past behavior of the offender, the following forms of discipline may occur:

FIRST incident report: The student is warned about the consequences of choosing not to follow the rules and the parents are notified.

SECOND incident report: Disciplinary action will be invoked and can include that the student has chosen to lose all bus riding privileges for a period of 1-3 days depending upon the severity of the offense. Parents are notified of the consequences. Parents are responsible to provide transportation.

SEVERE CLAUSE: The student and parents or legal guardians are informed that certain very serious misbehaviors may result in the immediate removal of a student and/or the loss of bus privileges for up to the entire year even if it is a first offense.

The following inappropriate behavior will result in suspension of transportation privileges and may result in the student being subject to further disciplinary procedures including the possibility of a student arrest:

- a) Physical harm or threat to another student
- b) Physical harm or threat to the driver
- c) Property damage
- d) Drug, alcohol, explosives, or tobacco use or possession

SCHOOL PROPERTY

Each student is expected to take pride in the physical appearance of the school. Teachers and students should be observant at all times to prevent damage or destruction of school property. Any marking or marring of school property should be reported to the office at once. No student

shall damage or deface any property belonging to the district.

The type of discipline that may be imposed for damage to school property by students depends on the circumstances. Students may be subject to suspension for willful damage or destruction of school property. The District may file charges requiring the student or parent to make full or partial restitution to the District in accordance with the law.

STUDENT CONDUCT

The administration has established regulations governing the conduct of students in school, traveling to and from school, and at school functions. In addition to compliance with regulations established by the administration, students are expected to obey all rules and regulations adopted by the governing board and to obey any order given by a member of the faculty or staff relating to school activities.

A student shall be defined as any person who is regularly enrolled in good standing in an educational program provided by or approved by the District and carried on in premises owned or controlled by the District.

Students in school buildings, on school grounds, using District property for any purposes, or attending a District-sanctioned event shall not engage in improper behavior, including, but not limited to, the following:

- Any conduct intended to obstruct, disrupt, or interfere with teaching, research, service, administrative or disciplinary functions, of any activity sponsored or approved by the governing board.
- Displays of affection WILL NOT be tolerated on school property during the school day or during school functions. This includes intimate hugging, kissing and handholding.

- Physical or verbal abuse, or THREAT OF HARM TO ANY PERSON on District owned or controlled property or at District sponsored or supervised functions. This includes “horseplay” of any kind.
- Damage or THREAT OF DAMAGE to property of the District, regardless of the location, or to property of a member of the community or a visitor to the school, when such property is located on District controlled premises.
- Forceful or unauthorized entry to or occupation of District facilities, including both buildings and grounds.
- Unlawful use, possession, distribution, or sale of tobacco, alcohol, or drugs or other illegal contraband on district property or at school-sponsored functions.
- Conduct or speech that violates commonly accepted standards of the District and that, under the circumstances, has no redeeming social value.
- Failure to comply with the lawful directions of District officials or any other law enforcement officers acting in performance of their duties, and failure to identify themselves to such officials or officers when lawfully requested to do so. Proof that an alleged violator has a reasonable opportunity to become aware of such rules and regulations shall be sufficient proof that the violation was done knowingly.
- **Any conduct constituting a breach of any federal, state, or city law or duly adopted policy of the governing board.**
- Carrying or possessing a weapon on school grounds.

A.R.S. 13-1202 and A.R.S. 13-2911
In Arizona schools, communicating a threat is a crime. The law provides that any student who, with the intent to terrify, threatens to cause physical injury to a

school employee or student or serious damage to property, or intimidates another person, by word or conduct is guilty of a Class 1 misdemeanor. If the intent of the threat is to cause the other person to participate in a criminal street gang, the crime becomes a Class 4 felony. **In order to comply with the new law, the District will report to the police any and all incidents that could potentially threaten the safety or security of pupils, teachers or administrators. Parent/guardian will be informed immediately of such incidents.**

These threatening behaviors may require that the student be considered for expulsion. The District reserves the right to deal with student discipline on a case-by-case basis. Students who are enrolled in Special Education will be afforded the protections of the IDEA.

STUDENT WITHDRAWAL

A withdrawal form shall be presented to the parent/guardian of a student who wishes to withdraw from school. The withdrawal form shall include the reason for withdrawal and signature of an official of the school.

Upon withdrawal, the student shall check in all books and other District property.

TARDIES

Students who are found chronically tardy are subject to disciplinary action.

TOBACCO

NOTICE: Arizona State Law prohibits the possession or use of tobacco/nicotine by anyone on school property and at school events either on or off campus. Please observe this regulation.

For purposes of this policy, “smoking” shall mean all uses of tobacco, including cigars, cigarettes, electronic smoking devices, (including e cigarettes), pipes, chewing tobacco and snuff.

The penalty for possession and/or use of tobacco or similar products will be determined by the administration. Such penalties may include suspension from school.

VALUABLES

The school administrators and staff will not be responsible for any items which students bring to school including but not limited to all electronic devices. **It is strongly recommended that students leave all valuables at home.**

VISITORS

Parents/guardians are always welcome to visit the classrooms. Yet, for the safety of the students, IT IS REQUIRED BY ARIZONA STATE LAW that all visitors check in with the office prior to contacting any staff member or students. For those who wish to visit a classroom during the day, it is required that the teacher and the

administration be contacted in advance to schedule a day and time for each visit so as to avoid any conflicts with the school's schedule. **Student visitors are required to have 24 hour prior approval from the teacher and the administration. A student visitor request form is available in the office and must be completed in advance.**

WEAPONS

No person shall go onto the school premises with a firearm, explosive weapon, knife, any other dangerous or illegal instrument, or any instrument represented as such. Any student violating this policy may be suspended or expelled.

For purposes of this policy, school premises means the school, school grounds, school buses, or any premises, grounds, or vehicles used for official school purposes, including the parking lot.

SCHOOL SONG
